国际物理医学与康复医学会发展中国家峰会

昆明·中国 2016年7月28日-31日

Welcome address

It's my great honor to invite you to attend International Society of Physical and Rehabilitation Medicine for Developing Countries Summit 2016(ISPRMDC2016), which is to be held during July 28-31, 2016 in Kunming, China. ISPRMDC2016 will invite domestic and foreign well-known experts to share their cutting edge researches on neurological rehabilitation, orthopedic rehabilitation, pediatric rehabilitation and cardiovascular rehabilitation, which will definitely promotes international academic exchanges and cooperation in rehabilitation medicine.

In accordance with the objective of ISPRM, "Maximally improve function as well as the quality of life for patients", ISPRMDC2016 aims to impart rehabilitation knowledge, disseminate rehabilitation concept, promote rehabilitation technology and achieve the rehabilitation dream with common efforts.

As one of China's most diversified provinces, Yunnan is certainly one of China's most alluring destinations. Kunming, the capital city of Yunnan province. Because of its favorable location, and convenient transportation, Yunnan function as an important land gateway of China to Southeast and South Asia. Celebrated as the "Spring City," Kunming has neither severe winters nor extremely hot summers and can be visited at any time of the year. We believe you will have a wonderful experience in Kunming during the Summit.
