#ISPRMRehabWeek

The ISPRM International Rehabilitation Week 2020 programme includes scientific sessions with renowned physiatrists, videos from the PRM community and a variety of social programs ranging from testimonies by persons with disabilities to interviews with activists in the field.

Testimonies & Interviews:

- ❖ ISPRM: Stories about the Society
- ❖ Road to Paralympics by a Sports Person
- ❖ The WHO-ISPRM Collaboration
- ❖ PRM in Mozambique
- ❖ Humanity & Inclusion (book collaboration)
- ❖ Residents Symposium

...and more!

The Scientific Lectures with live Q&A:

- ❖ Spasticity and Neuro Orthopaedics
- ❖ Rehabilitation for COVID Survivors
- ❖ Pain Management in Cancer Survivors
- ❖ Rehabilitation in Amputees
- ❖ Ultrasound: Application in PRM
- ❖ Falls Prevention and Management
